

STILL CHAMPIONS!

ON THE BANKS at Loakes Park and in the bath it was wide smiles of jubilation on Saturday after a goal in the 85th minute by Keith Searle gave Wycombe Wanderers 1-0 victory over Dagenham — and their second successive Rothmans Isthmian League championship and fourth league title in five years!

The victory took their unbeaten home league record to 50 games, since November 1972, and brought the club a prize of £1,000 from the sponsors.

With another £360 from three clear-goal victories, £300 or so from the sportsmanship pool — only one Wycombe player has been booked this season — and the £12,000 from their F.A. Cup run, the Wanderers should clear something like £15,000 from an historic season.

Wanderers' players in the bath-time ebullience after Saturday's triumph are — left to right round the circle — Reardon, Perrin, Searle, Mead, Maskell, Holifield, Kennedy and Evans.

Whoopie in the wet after that £1,000 goal in the last five minutes!
